What You Are Not Being Told (This is Just the “Tip of the Iceberg”)

Introduction

I have created this brief document to provide some resources that will hopefully allow people to see the greater agenda that is (and has been) afoot for quite some time now. As the title suggests, the information here is only the “tip of the iceberg”. There is a whole lot more that is going on in the shadows.

This information is not fully discussed (or discussed at all) by the “corporament”.

In the USA, the “corporament” exists as the:

military (defense/offense) + industrial + academic (schooling — at all levels — as prison) + “corporament” entertainment (Hollywood, media, advertising/consumerism/commercialization, propaganda/psychological warfare) + judicial (defense and prosecutorial lawyers, judges, law enforcement/police, prisons) + financial (banks, accounting firms) + religion + petrochemical/pharmaceutical (drugs, antibiotics, antibacterials, vaccines, pesticides — toxins to kill or put you at “dis-ease” and drugs to “treat” you) + imperial commu-soci-capitofasdemorepubcracism system/society/economy/Western thinking = Military-industrial-academic-“corporament” entertainment-judicial-financial-religion-petrochemical/pharmaceutical complex.

Commu-soci-capitofasdemorepubcracism is derived from communism, socialism, capitalism, fascism, democracy, and republic as these concepts all have the same root. The complex was originally defined in the aforementioned article [https://www.utdailybeacon.com/opinion/our-government-can-not-be-trusted/article_81932d59-

[0861-5647-87b2-901d4d5cabd8.html](https://www.questionuniverse.com/oldway/columns.html) | Our government can not be trusted by Irucka Ajani Embry, Monday, 26 August 2002, *The Daily Beacon*. Also, the article can be found by searching at <https://www.questionuniverse.com/oldway/columns.html>., but it has been recently revised to reflect a new understanding of the complex's nature.

Also, I am enclosing resources that will enable us, globally, to unite together as human beings, the human race, and regain our freedom & power from the global *elites* that think that they control us because we have allowed them to develop that false conclusion.

Some basic questions concerning the safety & effectiveness of face hiding

- 1) Is any individual, corporation, government agency, international agency, institution, etc. legally liable for the adverse reactions, including deaths, caused by recommending and/or requiring that people wear a face mask, face shield, etc. to cover our faces due to a non-existent threat from a non-existent "coronavirus"?
- 2) In the United States of America, do people have the right to refuse a medical device technology that is currently under an Emergency Use Authorization (EUA)? If so, then are people advised about their rights (proper informed consent)?
- 3) In other countries of the world, do people have the right to refuse a medical device technology? If so, then are people advised about their rights (proper informed consent)?
- 4) What does the Nuremberg Code say about human experimentation and informed consent? Has any so-called "health authority" promoting the fraudulent "germ theory of disease causation" & face hiding provided people with proper informed consent? If not, then why not?
- 5) Do any particles (regardless of their size) from the face masks, face shields, etc. enter your body through your skin, nostrils, and/or mouth? If so, then what is the fate & transport mechanisms of those particles? If so, then what are the possible effects of having those particles enter your body? Has any scientific research been conducted to ascertain the answers to these questions?
- 6) What effects does face hiding with a face shield, face mask, etc. have on the Mental/Spiritual, Emotional/Psychic, and/or Physical Planes of an individual Human's existence? ¹
- 7) What effects does face hiding with a face shield, face mask, etc. have on our Collective Human Consciousness?

¹George Vitoulkas, *The Science of Homeopathy*. New York: Grove Press, Inc., 1980. Page 23.

- 8) Does face hiding with a face shield, face mask, etc. adversely impact our sense of smell and/or taste?
- 9) In Traditional Chinese Medicine (TCM), the Lungs are energetically connected to the Large Intestine; therefore, does face hiding with a face shield, face mask, etc. adversely impact both our Lungs and our Large Intestine? ²
- 10) Does wearing a face shield, face mask, etc. effect a person's ability to communicate clearly & effectively?
- 11) Have macro-, micro-, and/or nano- toxic particles [graphene, (bio)pesticides etc.] been found in face mask\$?
- 12) How does a face mask, face shield, etc. with pores completely prevent "viruses" or "virus" particles from entering your nostrils and/or mouth? [Please remember that "viruses" are nanoscopic & cannot be seen with the naked eye.]
- 13) How do sound waves exit your face mask, face shield, etc. if the device provides an impenetrable barrier for your mouth and/or nostrils?
- 14) If you wear a face mask, face shield, etc. & you're in a place with cold weather, how is it that you can see your breath exit your mouth still?
- 15) Who benefits from Humans losing connection with each other, with Nature, with themselves, etc.? Do we, as Human Beings overall, benefit? Who would want to disrupt our collective Human Consciousness?
- 16) Who benefits from Human Beings not being able to recognize each other, see each others facial expressions (especially, our Beautiful, Smiling Faces), etc.? How does this affect young children, in particular? Do children recognize their masked-up parents anymore?
- 17) What kind of psychopaths/sociopaths would want Human Beings divided & conquered rather than United?
- 18) Why haven't more Human Beings asked for proof of the "coronavirus" & its alleged "dis-ease" prior to feeling obligated to hide their faces & disconnect from the world (other than through the use of high-technology)?
- 19) If you believe in the fraudulent "germ theory of disease causation", then why is it that a "virus" would not enter your body through your skin, ear canals, eyes, vagina/urethra, penis/urethra, anus, cuts/scrapes/other areas of open skin, etc.? Why would the "virus" only choose to enter through your mouth and/or nostrils?
- 20) If you believe in the fraudulent "germ theory of disease causation", then please explain to yourself & to others why a deadly "virus" would not bother you while
 - sleeping [I guess that these deadly "viruses" want their prey (Human Beings) to obtain adequate rest prior to wiping us completely off Planet Earth.];
 - blowing/wiping your nose;
 - brushing your teeth;
 - rinsing out your mouth [I guess this deadly "virus" wants us to have good oral hygiene prior to killing all Human Beings.];
 - eating food;
 - drinking, whether with a straw or not;
 - smoking/vaping;
 - snorting;
 - snuffing;
 - talking and/or laughing while eating food, drinking, smoking/vaping, snorting, snuffing;
 - singing/rapping;

²Traditional Chinese Medicine (TCM) World Foundation: Lung/Large Intestine Health, <https://www.tcmworld.org/what-is-tcm/the-five-major-organ-systems/lung-health/>

- breastfeeding your child(ren)/being breast-fed;
 - sucking on a bottle, finger, thumb, toe;
 - having sexual intercourse [Why does this deadly “virus” allow Humans the pleasure of sexual intercourse, whether or not if it’s to create more Human children?];
 - removing & replacing your mask; etc.? Why does this deadly “virus” permit such activities in its prey (Human Beings)?
- 21) We’re told that this “virus” (collection of DNA and/or RNA molecules) is so smart that it can cause your cells to replicate on its behalf, but it chooses to only enter our bodies in two sets of orifices (mouth and/or nostrils) in spite of the fact that we have millions of orifices on our human body? Why is that? I take it that the “virus” does not know simple mathematics.
- 22) Why aren’t more people all around the world asking these & other questions?

Quotes on Particle size and “viruses”

“Most”viruses” that have been studied have a diameter between 20 and 300 nanometres.”

–Virus, [From Wikipedia, the free encyclopedia](#)

“The skin, a complex system of systems, is one of the largest organs in the human body. The surface of the skin consists of nearly 5 million pores.

“Biologically, [...] the pores are orifices – minute apertures or holes that open into a bodily cavity – which serve to enable transpiration, absorption, and a host of other functions, including the release oils and sweat.”

–[Why Forced Vaccination Is Rape: A Biological and Legal Systems of Systems Analysis with Options for Recourse](#) By Dr. Shiva Ayyadurai, MIT PhD

“The small size of NPs [nanoparticles] allows them to penetrate through epithelial and endothelial barriers into the lymph and blood to be carried by the bloodstream and lymph stream to different organs and tissues, including the brain, heart, liver, kidneys, spleen, bone marrow, and nervous system, and either be transported into cells by transcytosis mechanisms or simply diffuse into them through the cell membrane. Nanomaterials can also increase access to the blood stream through ingestion. Some nanomaterials can penetrate the skin and even greater microparticles can penetrate skin when it is flexed. Nanoparticles, because of their small size, can extravasate through the endothelium in inflammatory sites, epithelium (e.g., intestinal tract and liver), tumors or penetrate microcapillaries. Experiments modeling the toxic effects of NPs on the body have shown that NPs cause thrombosis by enhancing platelet aggregation, inflammation of the upper and lower respiratory tracts, neurodegenerative disorders, stroke, myocardial infarction, and other disorders. Note that NPs may enter not only organs, tissues, and cells, but also cell organelles, e.g., mitochondria and nuclei; this may drastically alter cell metabolism and cause DNA lesions, mutations, and cell death.”
